

# NEW GRANT OPPORTUNITY FOR SCHOOLS!

**OceanFirst Foundation** is pleased to announce the return of the **Model Classroom Grant** program. The program is open to all K-12 public schools and tax-exempt *(501(c)(3) status)* private schools located within the **OceanFirst Foundation** footprint – **Atlantic, Cape May, Cumberland, Gloucester, Middlesex (Monroe Twp. only), Monmouth and Ocean counties.**

Twenty-five grants of \$10,000 each - \$250,000 in total - will be awarded to schools interested in developing a Model Classroom for learning. This grant provides the opportunity for schools to tap into their vision and create a classroom for the future.

To learn more about this opportunity, the evaluation process used to select grant recipients, and to get tips on preparing a grant application, join us at an upcoming information session.
